Step 2

In the «Investments» section, select the subsection «Bonds»

The screenshot shows the SEB Private banking interface. On the left, a sidebar menu lists various investment options. The 'Investments' menu item is highlighted with a purple box, and a purple arrow points to the 'Bonds' option, which is also highlighted with a purple box. The main content area displays the 'Current accounts' section, showing a table of accounts with columns for Account, Account balance, Reserved, Available funds, and Currency. The table lists three accounts, all with a balance of EUR. Below the table, there are sections for 'Deposits' and 'Securities', both with expandable arrows.

Step 3

In the search bar, type «CleanR» and click the «Search» button

The screenshot shows the SEB Private website interface. On the left is a navigation menu with options like 'Investments', 'My portfolio', 'Transaction statement', 'Shares, ETFs and bonds orders', 'Investment accounts', 'Securities accounts', 'Shares and ETFs', 'Micro-investments', 'Funds', 'Funds standing order', 'Bonds', 'Transactions with another person', and 'Investment account'. The 'Bonds' option is highlighted with a green box. The main content area is titled 'Debt securities'. At the top of this section is a search bar with the text 'Search for debt securities' and a search button labeled 'Search'. The search bar contains the text 'CleanR'. Below the search bar is a section titled 'Additional search data' with a play button icon. Underneath this are three tabs: 'Baltic government bonds' (selected), 'Other government bonds', and 'Corporate bonds'. Below the tabs is a table of debt securities. The table has columns for Name, Currency, Rating, Maturity, YTM bid, YTM ask, Buy price, Sell price, and Actions. The table lists several Lithuanian and Estonian government bonds. A purple box highlights the search bar and the 'Search' button, with a purple arrow pointing to the 'Search' button.
