

How to subscribe and
buy Clean R Grupa
bonds at Swedbank?

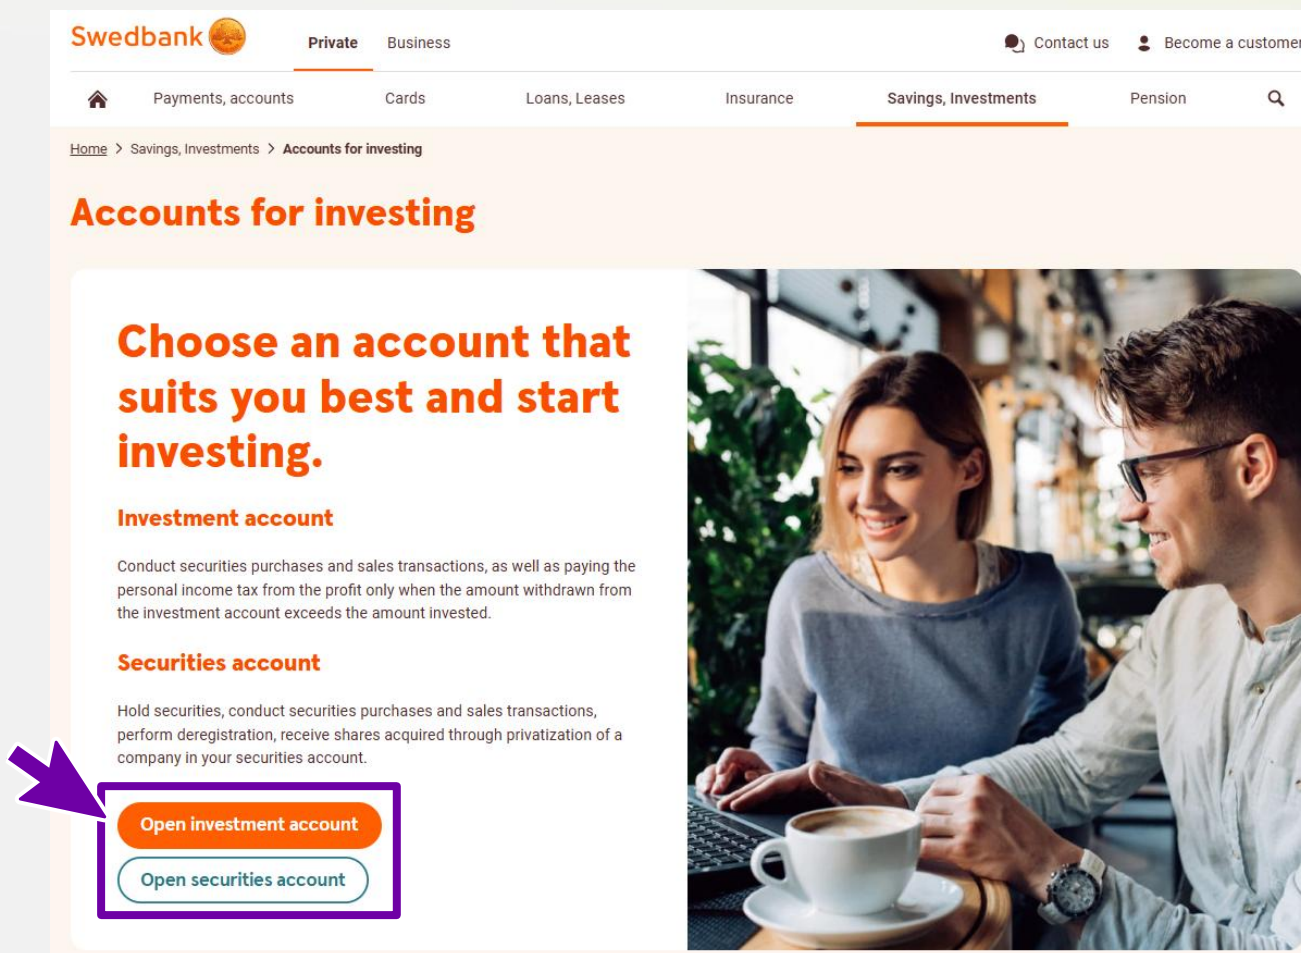

Step 1

- If you don't have an investment account yet, log in to the internet bank:
<https://www.swedbank.lv/private>
 - find the **"Savings, Investments"** section in the top menu
 - and then select the **"Accounts for investing"** section on the left-hand side
- If you already have an investment or securities account, go directly to **Step 3**

Step 2

Choose the account type that suits you best by clicking the button and following the instructions

The screenshot shows the Swedbank website interface. At the top, there's a navigation bar with 'Swedbank' logo, 'Private' and 'Business' tabs, and links for 'Contact us' and 'Become a customer'. Below this is a menu with categories: 'Payments, accounts', 'Cards', 'Loans, Leases', 'Insurance', 'Savings, Investments' (which is highlighted), and 'Pension'. A breadcrumb trail reads 'Home > Savings, Investments > Accounts for investing'. The main heading is 'Accounts for investing'. Below this, there's a section titled 'Choose an account that suits you best and start investing.' with two options: 'Investment account' and 'Securities account'. Each option has a brief description of its features. At the bottom, there are two buttons: 'Open investment account' (highlighted with a purple arrow and a purple border) and 'Open securities account'.
